

## **British Hospital** **Matron's Tea and Garden Party**

This 76th edition of the Matron's Kermesse - the first one was held on November 3rd 1934 - will take place in the **British Hospital** gardens, Perdriel 74, on November 13 as from 12 a.m. Beginning with roasted hamburgers and steaks, there will be many games for children and adults, with prizes for all. A white elephant stall, second hand books, delicious jams and home made cakes will be on sale, and prizes for raffles will be distributed at the end of the afternoon. Before the end of the day, the Pipers from the Scottish band will display their talents, accompanied by their young dancers. The justly famous "tea, sandwiches and cakes" will be waiting for you under the pepper tree, attended by the junior nursing staff. As usual, all the proceeds will go to the continuous Training Programme for the Nursing School: this year it will reinforce the main target of the Hospital's Fund Raising campaign, which is enhancing education in our student nurses in this ever more complex profession. All will be welcome!

In case of rain, it will be postponed till Saturday, November 20th.
